9<sup>th</sup> January, 2025

All Students,  
**MZUMBE UNIVERSITY.**

**RE: EXTENSION FOR REGISTRATION DEADLINE**

- On January 6<sup>th</sup>, 2025, a communication was issued by the Office of the Deputy Vice Chancellor for Academic Research and Consultancy concerning the postponement of studies for those not registered by January 10<sup>th</sup>, 2025.
- This letter mistakenly categorized deadlines for privately sponsored students and loan board beneficiaries. It stated that only loan board beneficiaries would receive an extension, while others should request to postpone studies. This was incorrect.
- I hereby clarify that this information does not represent Mzumbe University's stance, and the previous letter is hereby nullified. Following consultation with the Ministry of Education, Science and Technology, the registration deadline is now extended to February 7<sup>th</sup>, 2025. Students unable to register by this date must request to postpone their studies in accordance with Mzumbe University's Examination and Student Assessment Criteria By-Laws of 2018 and 2023.
- Please act accordingly.

Prof. William J. S. Mwegoha  
**VICE CHANCELLOR**
